MESSAGE FROM THE BOARD CHAIR

The Board is grateful to the staff members for their dedication and commitment to providing quality service to the community. The Schreiber Public Library focuses on community programs local history, literacy and learning, and it is the staff that deserves credit for the many successes in these areas. The Library Board and Staff are striving to maintain a system that continues to meet the needs of our residents as well as visitors. The Board and Library staff is fortunate to be working with a Town Council which recognizes that the Library enriches the community and adds to the economic vitality of the town; their support has been greatly appreciated. We encourage positive feedback, positive and constructive criticism, so we may continue to provide the best possible service to our community.

Special congratulations to the Schreiber Public Library staff and partners for the successful Computers for Seniors Project. The program provided 34 computers to seniors in the area and good basic training in computer use.

Several Katimavik Volunteers also assisted with a wide variety of library projects. They were a great asset throughout the year. The Schreiber Public Library continues to work towards "enriching lives and supporting dreams."
